

C-10FCAT6P-BE
10Ft RJ-45 (Male) to RJ-45 (Male)Blue Cat6 Straight UTP
Plenum-Rated Copper Patch Cable

C-10FCAT6P-BE

10Ft RJ-45 (Male) to RJ-45 (Male) Blue Cat6 Straight UTP Plenum-Rated Copper Patch Cable

Features

- Color: Blue
- Supports IEEE 802.3af
- DTE power compliant
- 24AWG
- Copper Patch Cable
- Compatible with T568A and T568B wiring
- Provides performance up to 250 MHz
- Four times the rated PoE standard

Product Description

This is a 10ft RJ-45 (male) to RJ-45 (male)blue straight UTP plenum-rated copper patch cable. The Cat6 cable is a standardized twisted pair cable for Ethernet or other physical network layers. Cat6 standards specify performance of up to 250MHz. This plenum-rated cable is the only cable allowed in spaces defined as air plenum-rateds, such as raised flooring systems and air handling ducts. plenum-rated cables must self-extinguish and prevent re-ignition. Unshielded twisted pair patch cables are perfect for data centers, LANs and other short-range network connections. Our patch cables are 100% compliant for all of your networking needs. Our products are guaranteed by federal law to not affect or void OEM warranties.

Parameter	Specification
Application	Patch
Cable Mode	UTP
Color	Blue
Connector	RJ-45 (Male) to RJ-45 (Male)
Core/Cladding	24AWG
Jacket Type	Plenum
Length (m)	3.05
Length (ft)	10
Media	Copper
Standard	Cat6
Termination Type	Straight
Strand Count	8
